Big Sea Medical Co.

Big Sea General Trading LLC has been established in 2003 in Dubai, United Arab Emirates. We provide a complete solution for our client's needs by offering high quality Medical equipment and special Health Vehicle.

We have gained an outstanding reputation in the region by lowering the costs of owning and maintaining Medical equipment for our clients. We achieve this by providing world class customer service and superior technical support to all who entrust themselves into our care as our managers have more than 20 years experience in this field.

Through our Bio Medical Engineers, Our highly skilled technical department is filled with our own employees who have the experience and capability of repairing all types of Medical equipment and Health Vehicles.

We can categorized our customers to:

- "Hospitals, Clinics and Diagnostic centers
- "Health Ministries ,Red Cross and Red Crescent
- "Doctors and Radiologists

Our target markets are included but not limited to :

- "Middle East and G.C.C countries
- "Africa
- "Central Asia

Big Sea Medical Co.
